Overall Teaching Experience is Good but Librarian Of BBA Department is misbehave with students.

Nothing. All good 👍

New technology monthly updates can be given. 😊

Practicals can be performed earlier so that studying theory can be easy for students when they've already done it practically.

Projectors can be used for easy teaching and learning.

All teachers are experienced and intelligent so there life is no suggestions

Good practice encourage student-Instructor contract

Good practice encourage cooperation among students

Good practice encourage active learning

No suggestion because all the teachers are very good

Better understanding

Provide all facilities

All the teachers here are well educated and respectful, so I do not have to give any suggestion.

1. Provide on campus internships/placements.
2. Provide some practical activity instead of theory related to subjects.

Nothing else...Everything is right i don't think i need to give any advice

\*Use ICT tools and digital game-based learning.

\*There should be some entertainment along with studies.

\*

The children who distract the class should not be ignored because of them don't understand some points

Please send notes on classroom

There is too much written work in some subjects

Advice students for their career and academic opportunities.

Share your personal experience to let them understand the difficulty in real life

Give a hint to a student where he/she need improvement

Use of tools and respective knowledge to solve the problem.  
Use technology to make the class interactive like use of ppt, videos etc.

All over teaching learning program is very good  
College is not visiting anywhere in the teaching learning process

My experience is good in my college.

Highly recommending for Enhance extracurricular activities.  
Mutual understanding between student and teacher.  
Better Guidance for upcoming future such as skills based or talent.

Please provide proper notes of each and every subject ....

1.To focus on practical knowledge more than theoretical knowledge.

No suggestions. Everthing is good 👍

- 1- Every teachers has to complete their syllabus and practicals at given time .
- 2- Teachers have to Stay calm when they are in class and teaching us .
- 3- Never point out student weaknesses in front of other students .
- 4- Allow all the students to sit in college ground at interval time .
- 5- Allow gender equality and give rights to talk with different gender persons.

1. Provide pratical knowledge.
2. Provide some workshops.
3. Give some case study.

Students should be provided with Practicals lab.. Work field, should promote or give guidance regarding their internship, field work etc

Some teacher don't give in depth Information about the topic and just give overview about the topic only but overall teaching faculty is making great efforts for us!!!

Organise seminar by external auditors, company manager etc

Teaching the students deeply

High concern towards absent students which affect the study of regular students

IP college campus 2 Bulandshahr

Uses of ICT tools properly .  
Provide some important notes to students for learning.

The teachers should be able for communication .

All teacher's are well qualified..

The teaching skills of teacher's are very gud ...

And the discipline are also very strict....

And the stydy of IP college are very excellent.and this college is best for me Always..

Thank you

2)Make teaching a two way interaction.

3)Communicate with the student on a regular basis.

By giving homework to students

1. Teachers should use ICT tools in teaching learning process.

2. They improve the extracurricular activities in the college.

3. Teacher's behaviour is very good.

Good teaching experience

There is no canteen for refreshment i m very disappointed with that.

Give all notes online

Focus on minor subject also.

There should be one canteen in the campus so that students can show their interest in studies.

Give less assignment

Vv

....

1.Please make strong focus on attendance of the students.

2Canteen is also necessary so please focus on it.

3.Apart from these two suggestions colledge is good in every field

Focus on minor subject

There should be one canteen in campus so that students can show their interest

Give less assignment

I am satisfy my teacher

They need to behave properly with students

They need to improve the enviornment of college it looks like we in school again

They has to change there study technique to bit activity based.

Try to provide best Communication with students, try to help the students in different problems, one class teacher are compalsory.

Just start motivating students in actively participating in employment services and management growth as well.

No requirement for suggestions.

Overall all facilities are available.

Here teaching - learning experience is great and satisfactory. Here all educators are epitome of idealism.

1. Inter stream collaboration.

2. Segregation of students as per their weakness and strength.

3. Regular conducting of personality improvement sessions.

No, I am fully satisfied from the teaching and learning process of institute

To promote and help those student who can't attend regular classes but some reason

To have equal vision for every student when marking for internal exam

1. They don't need to because they already are all great teachers

2. Keep pushing us towards our great future just like they always do

3. Focus on each and every student whether they are weak in studying or not

Give a Sitevist two time a month

Understand what students problems, revision,

1. Try to reach every student abd ask for their doubts .

2. Make teaching a two way interaction.

3. New technology monthly updates can be given ,activity based learning may be implemented

.

4.

Make a canteen for the students

Motivate students

Increase ITC tools

Add in extracurricular activities

identify weaknesses and help to overcome them.

Teaching is excellent.

College have to focus on sports as well.

Improve the Indian education system

Perfect college for all
