CRITERION I - CURRICULAR ASPECTS

1.1 - Curriculum Planning and Implementation

1.1.1 - Institution has the mechanism for well planned curriculum delivery and documentation. Exp words

College prepare its proposed academic calendar at the beginning of each year. Such academic calendar is prepared on the basis of academic calendar of the affiliating university. A.C. of the college is uploaded on the college website so that students are informed about the probable teaching days, dates of internal or session examination and co-curricular activities. For effective decision-making regarding selection of graduate course intermediate passed students are invited with their parents in this way college organized a awareness orientation programme about the future prospectus of each course. This orientation programme is helpful for the students in their course selection decision making process. For effective implementation of curriculum in each dept. conduct meetings for allotment of classes and syllabus distribution among the teachers. Students are given details of teaching assignment to each teacher at the beginning of an academic session by each department. Based on the teaching assignments allotted in the syllabus distribution, teachers prepare their "teaching plans" according to the number of probable teaching days. Along with the traditional check & talk method, teachers often

power- point projectors during the lectures to demonstrate topics. (studies class tests/surprise test & student seminars are held after completion of a section of the syllabus and periodic review of performance of students is undertaken. Industrial visits are organized by dept. of Commerce & Business Administration to ensure effective implementation of the prescribed curriculum. Interactive sessions with students and sometimes parents/guardians are held to identify problem areas. Special care is taken to address the problems of slow learners advanced learners and first generation learners. Social networking sites are also used by some departments to facilitate interaction between faculty and students beyond the class hours. Student satisfaction survey is conducted by IQAC to improve the teaching learning process of each department.
