21. Give three observation / suggestions to improve the overall teaching --learning experience in your institution.

S.No.	Observations/Suggestions
1	Very good 👍
2	Don't think i give everything under 3 But genuinely i would like to tell you expect puneet sir every teacher is worse teaching skills, and when students took admission in that college , they behaved very well but after the getting fees . They was changed . I give 1 star rating to that college out of 5
3	Teacher need to streak for students. And need to give better, detailed explanation
4	Teacher need to streak for students. And need to give better, detailed explanation
5	Good best exclent
6	Good
7	1. Smart classes. 2. Different societies for various activities. 3. Sports facilities.
8	1.The syllabus should be covered according to exams. 2.Teachers should elaborate the concepts in a proper way. 3.Way of teaching should be enhanced and effectively done by staff.
9	1. **Incorporate Active Learning Strategies:** Shifting from traditional lecture-based methods to active learning strategies, such as group discussions, problem-based learning, and hands-on activities, can significantly enhance student engagement and understanding. This approach encourages students to participate actively in their learning process, fostering critical thinking and collaboration skills. 2. **Enhance Technological Integration:** Leveraging technology to support learning can greatly improve the educational experience. This includes utilizing interactive online platforms, virtual labs, and educational software that provide students with additional resources and flexible learning opportunities. Regularly updating the technology infrastructure and training teachers to effectively use these tools is crucial. 3. **Provide Continuous Professional Development for Educators:** Offering regular professional development opportunities for teachers ensures they stay updated with the latest educational trends and teaching methodologies. Workshops, seminars, and peer collaboration sessions can help educators enhance their teaching practices, address diverse student needs, and integrate innovative approaches into their classrooms.
10	1. Smart classes. 2. Different societies for various activities. 4. Sports facilities.
11	Good
12	There no need
13	Teaching is good however it can be more effective
14	NA
15	Teacher
16	I don't know
17	No need ,our teachers are very well explained every topics in brief
18	I don't think so that the teachers change his behaviour looking by all the students. All teachers are good his
19	Good rules for student behaviour in the teacher is not good behaviour for all students
20	1. More practical experiences: Providing students with more hands-on practical experiences in various subjects can enhance their understanding and interest. Utilize different laboratories and resources for practical learning. 2. Interactive teaching methods: Incorporate interactive teaching methods that engage students, encourage collaboration, and foster critical thinking. This can include problem-solving activities, group discussions, and opportunities for student presentations. 3. Effective use of technology: Embrace the use of technology to enhance teaching and learning. This can include utilizing educational apps, online resources, and interactive multimedia tools to make lessons more engaging and accessible.

21	Some teachers mainly comes for timepass and some teachers have very bad communication skills there are only few teachers who are excellent. I
22	Alloted best teachers in last sections like as F
23	There should be a separate doubt class for weak students
24
25	Communication skills should be better. Polite behaviour towards polite students. More attention to those students who are introvert.
26	Good
27	No suggestions
28	1. More practical experiences: Providing students with more hands-on practical experiences in various subjects can enhance their understanding and interest. Utilize different laboratories and resources for practical learning. 2. Interactive teaching methods: Incorporate interactive teaching methods that engage students, encourage collaboration, and foster critical thinking. This can include problem-solving activities, group discussions, and opportunities for student presentations. 3. Effective use of technology: Embrace the use of technology to enhance teaching and learning. This can include utilizing educational apps, online resources, and interactive multimedia tools to make lessons more engaging and accessible.
29	Very good 👍😊
30	Please provide the contact Number of the teacher
31	More skills should be introduce. Some more improvement in some teacher's teaching style.
32	No thanks
33	Nothing to improve
34	Un skilled teachers Arrogant behaviour. Everybody runs for only complete the syllabus
35	Seminars regarding new technologies, internships, new tech courses , last and most important... placement
36	Provide transportation facilities for Khurja
37	New faculties
38	Student treat be a college not a school
39	Improvement is required in some teacher's teaching style. Placement opportunities must be increase.
40	Sab Badiya 😊
41	1. Coding fest must be included 2. Activities that help Student developing their coding skills 3. Adopt practicality rather than theoretical learning
42	1. Teacher can add more value added course with bca or other bachelors degree.
43	Three observations or suggestions to improve overall teaching and learning experience in institution are: 1) Use better graphics and visual media to engage students well. 2) Try to reach every student and ask for their doubts. 3) Make teaching a two way interaction.
44	Nothing to say
45	1. Use better graphics and visual media to engage student well.. 2. Try to reach every student and ask for their doubts.. 3. Make teaching a two way interaction ..
46	Mujhe yeh college accha lga pdhai bhi acchi hoti hai but ek problem hai discipline jada hai iss college me koi activity bhi nhi hoti naa hi koi function as _freshers party etc.

47	1. Creating Interest Towards the Education or Study. 2. Telling to students why there is a need to study the subject? 3. And tell to students you what are the different-different types benefits of taking these courses?
48	Do less project work No repetition of subject matters Flexibility
49	Required experience teachers...
50	The syllabus should be completed at the end and not left halfway. We need to give all the notes to all the teachers on time. When the exam comes, if the teacher knows that the syllabus has not been completed, then provide those important notes to all the students.
51	No one
52	No
53	Good
54	1: teaching should be structured and syllabus should be complete before examination. 2: they should use ICT and should evaluate students understanding. 3: teachers should include students while teaching and give reinforcement time to time.
55	focus on placement, focus on some other activity
56	Make a perfect environment for study, things like club activities and real life project, assignment etc.
57	Nothing
58	Sub think
59	Nothing
60	1. Clear Communication. 2. Friendly Behavior. 3. Patients and understanding.
61	No
62	All facilities are good
63	No
64	Behave
65	Very good discipline
66	This is for institution- Make new rules , I feel like roaming in my college , allow students to roam around in the college and teaching skills are good
67	No
68	1 good atmosphere 2 Good Teachers 3 cooperative Teachers
69	Teaching skills are good
70	Teachers should also involve with the students.
71	No suggestions
72	It's very very nice. All teachers are superb they motivate us every time. They are always ready to solve our problems. I like my college so much
73	Account teacher Renuka mam is not teaching well please try to change the teacher for 2nd sem
74	All good
75	Always good
76	<input type="radio"/> Canteen should be opened in our collage . most of the time it is important . <input type="radio"/> Teachers performance is very well. <input type="radio"/> Atmosphere of collage is also great.
77	Excellent
78	According to me there no need to change as the teachers gave full efforts to teach us
79	It was good
80	1- Teacher should use the great method for teaching. 2- teacher should also use different books for teaching. 3- teacher should also more focus on students

81	Our institute is great institute
82	Teacher's are doing well
83	Overall experience was too good
84	1. Improve learning techniques. 2. Improve sports 3. Improve extra curricular activities
85	Overall experience was too good
86	Promoting the sports activities
87	Nothing
88	College is not a school that's Please changes your mentality
89	Promotion of sports activities
90	1. Teachers can engage more with students in helping them in assigned tasks, activities. 2. Projectors can be used to teach practical approaches in the class. 3. There must be atleast 2 industrial visits by college in order to understand the real concepts in organisations.
91	Provide smart classes on regular basis .
92	Please be familiar with the students dont be act like a cruel dictators. Please provide them canteen facilities the college is like the boring school for them. If you provide them some things like that then they will get more interest in coming to the college...
93	by teaching with notes by teaching with examples by not serious talks
94
95	I observe that everything is good in campus.....no need to improve at all😊
96	Vry poor behaviour of some new age or new teachers
97	Teacher should encourage students for study
98	Make teaching a two way interaction Try to reach at every student and asks for their doubts Use technology in the classroom at least for four days within a week
99	1. Reduce strictness 2. Communicate politely with students 3. Make a friendly relationship between teachers and students
100	1. Provide Practical knowledge 2. Provide internship 3. Use computer labs
101	Communication Timely started classes
102	Teach with examples. Always keep motivating the students.
103	Kindly, use ICT tools like projector while teaching.
104	Akash pal
105	Everything is fine
106	I have no questions it was already good
107	Communication wellness
108	Nothing
109	Firstly , complete the whole syllabus Need to be interact with more students Some teachers needs to change their communication skills towards the students.
110	1. The college should provide all subjects books to the students on time. 2.The college should start the teaching session on time so that the entire course can be covered till exam. 3.Teachers should be qualified so that they can explain numerical and other queries to students very well. 4.Assignments should given before exam so that the students should not be burdened at the time of the

111	1.Classroom engagement could be enhanced. Suggestion: encourage interactive discussion, group activities and hand - on learning experience to keep students engaged and interested. 2.Assessment method could be diversified. 3.Technology integration could be improved.
112	There should be cricket in sports , teacher should cooperate with student , teacher should teach friendly
113	1. there should be cricket in sports 2. Teachers should co-operate with students 3. Teachers should teach friendly
114	Teacher are not cooperate with students
115	Na
116	Give practically information about the subject. Use positive ,specific, purposeful, praise, so we can know what they are doing well and build mental model so they can replicate it .
117	1 . Provide practical guidance and information about the concept . 2. Use positive Use positive specific, purposeful praise so students know what they are doing well and can build mental models so they can replicate it . 3. Utilize the latest technologies.
118	Practical examples and attendance
119	Nothing all right
120	To conduct extra curricular activities Use ICD projector multimedia while teaching
121	Good
122	1. Company visiting for more experience 2. Use better graphics and visual media to engage students well
123	1. Everything is very nice between teachers and students
124	The books we are provided from our college are always old edition. This makes us difficult to get updated and therefore we end up learning old things(such as amendments, replacement of laws etc) There is not a particular publication for every child.
125	...
126	1. Sometimes use the projector to explain the important topics 2. teacher be nice to child 3. The college is better than the other college in study
127	More explain with lcd or projector thanks
128	Teacher students relationship can be improved..
129	Teacher should explain all the topic on the next day
130	Good experience in my college and teacher's are very respected and do this learning.
131	Nice teaching methods .And very good teacher
132	The books we are provided from our college are always old edition. This makes us difficult to get updated and therefore we end up learning old things(such as amendments, replacement of laws, etc). There is not a particular publication for every child.
133	Its all good 🇮🇳they can use more teaching aid ...
134	Use animation to understand the concept Work on weakness in student No canteen in college
135	Outstanding
136	IP College Bulandshahr is providing the best education by the best teachers.
137	Teaching with projectors Encouraging life skills
138	No everything is going well
139	Nothing . Everything is perfect

140	Yes
141	Restrictions on students should be minimised and teachers should communicate more
142	No suggestions
143	Daily lectures are going Provide Notes Provide books
144	Nothing
145	Make canteen Remove cameras from toilets Teacher's don't support us
146	Everything is better
147	Attendance must be important
148	Teachers should try to communicate properly and can sent more sample paper for preparation
149	Improve biotechnology lab ,,,, lab not daily routine ,,,, placement bhi lao ,,,, plz girls dress change
150	Very well
151	1. Trying to explain deep functions of the topic that students finds difficult. 2. Sometimes try to change the way of teaching not argued in class teacher bad attitude creates a bad expression on students. 3. Allow the students to feel or participate in the cocurricular activities. also invite them to see other sports activities.
152	I think all teachers will communicate every student for his/her personality and interest in whatever subject And grow up his interest in the field that he want to be
153	All right 🇮🇳
154	1. Teachers should communicate with the students as much as possible. 2. Concepts will be understood very well if teachers convey more examples through projector or real life experience.
155	1. Trying to explain deep functions of the topic that students finds difficult. 2. Sometimes try to change the way of teaching not argued in class teacher bad attitude create a bad expression on students. 3. Allow the students to feel or participate in the co curricular activities. Also invite them to see other sports activities.
156	Yes
157	Overall good
158	Lab work
159	Providing better notes with each subject with use of computational methods. Must have an placement opportunity program. Mandatory attendance of 75%.
160	Teachers must explain all about the topics , teachers must complete all couse , teachers must explain briefly about the topics which is given in the book ...
161	Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.
162	Use ict tools to explain the concept
163	None
164	Good teacher
165	1- sports, 2- Labsystem 3- Technical
166	The books are provided from our college is always old edition and difficult to get updated materials ,law changes, gst rates and sometimes books are not available in library which we needed .only one copy be there and not a particular publication of every student.
167	1. Use practically knowledge

168	Labs/ practicals Outdoor activities
169	1. 75% attendance should be compulsory 2. Provide proper notes of every subject 3. Please change the dress code for girls
170	My Experience is Good And My college is very Good in teaching And discipline
171	1 पुस्तकालय में पुस्तकों का ना मिलाना 2 शौचालय/Toilet CCTV। कैमरे का होना 3 एक विषय के लिए एक से अधिक शिक्षक का
172	Discipline timing and well dress
173	Very well
174	God behavior Deeply explanation Democracies nature
175	1)Use for ICT tools(like projectors) 2)Syllabus must completed completely &properly in a mannered way within given period of time 3)Every subject should be given equal and quality time because during this year half of our subjects were not taught properly &completely Because of which we faced very difficulties during our exam preparation.
176	ICT tools should be used for effective learning. Syllabus should be completed in a mannered way in given period of time. To reduce the stress among students. All the subjects should be given equal teaching hours to enhance the learning. Books should be available for each student. Canteen should be available in the campus as it is difficult for a student to carry lunch box and travelling. It's difficult to manage.It affect the health of students and disturbs them mentally.
177	1) Use for ICT tools (like projectors) 2) Syllabus must completed completely and properly in a mannered way within given period of time. 3) Every subject should be given equal and quality time because during this year half of our subject were not taught properly and completely because of which we faced very difficulties during our exam preparation...
178	* Mostly days Use LCD projector * discuss the performance of the internals and assignments * create an activities which upgrades the skills
179	First priority make the schedule for students learning process of each subject in equal manner. Secondly, provide notes of each subject for easy and effective learning. Make use of Ict tools,- Lcd tools .with the preference of smart classes in weekle based .
180	Give proper explanation, Make things easy, Make students comfort in class
181	•Library is not just a storage house of book it also should be available for student to sit here and read the books and do some external educational work
182	Improve in the students in study
183	Very Good
184	Cantin
185	1) Use for ICT tools (like projectors) 2)Syllabus must be completed completely &properly in a mannered way within given period of time 3)Every subject should be given equal and quality time because during this year half of our subjects were not taught properly &completely Because of which we faced very difficulties during our exam preparation.

186	<p>1) Team is not ready for playing university level. So please ready team for every sport.</p> <p>2) Use for ICT tools (like projectors)</p> <p>3) Syllabus must be completed completely & properly in a mannered way within given period of time</p> <p>4) Every subject should be given equal and quality time because during this year half of our subjects were not taught properly & completely Because of which we faced very difficulties during our exam preparation.</p>
187	..
188	<p>Use of ICT tools be compulsory</p> <p>Syllabus should be compulsory for the easy understanding of every concept to every student with the clear</p>
189	<p>Use ict tool (like projector)</p> <p>Syllabus may be complete in mannered way</p> <p>Every subject given equal and quality of time</p>
190	<p>Please complete the whole syllabus before the exams and please change our physics teacher and please gave us assignments on the basis of university exams for well preparing and also gave us extra question on the basis of syllabus and also please please change our physics teacher in bsc maths plz</p>
191	<p>1. Teachers should get more and more involved with students in terms of comfort level.</p> <p>2. College can organize fest and ask students to participate in decent way.</p> <p>3. Freshers party and farewell party should be organised.</p>
192	Eye contact while explaining
193	I didn't think their is any suggestions to improve the teaching because the teachers are well qualify and teaching explanation is too good
194	<p>1) Use for ICT tools (like projectors)</p> <p>2) Syllabus must be completed completely & properly in a mannered way within given period of time</p> <p>3) Every subject should be given equal and quality time because during this year half of our subjects were not taught properly & completely Because of which we faced very difficulties during our exam preparation.</p>
195	No
196	<p>College management is Excellent.</p> <p>Encourage for extra curriculum activities.</p> <p>Teacher's behaviour is very good.</p>
197	-----
198	<p>Use better graphics</p> <p>Use visual media</p> <p>Two way interaction</p>
199	Agree
200	The teacher has little interest and the team studies a lot and we get bored.
201	<p>Usage of good technology</p> <p>Skills of teachers are good</p>
202	Industry
203	<p>1-use for lct tools (like projects)</p> <p>2-syllabus must be completed completely and properly in a manners way within given period of time.</p> <p>3-every subject should be given equal and quality time because during this year half of our subject were not tough properly and completely because of which use faced very difficulties during our exam preparation.</p>
204	Make a teaching in two way instructions
205	<p>1.Integrate Technology-Enhanced Learning.</p> <p>2. Enhance Student-Centered Learning.</p> <p>3. Enhance Student-Centered Learning.</p>

206	(1) Use for (ICT)tools. (Like projector) (2) Syllabus must be completed completely and properly in a mannered way within given period of time. (3) Every subject should be given equal and quality time because during this year half of our subjects were not taught properly and completely. Because of which we faced very difficulties during our exam preparation.
207	The teacher should guide students or suggest some methods for the futre profit of the student which help them developing themselves. Im very confused about my future studies,so much confusion held in my mind and there is no one to solve or guide me on that,so the institute should know how to overcome stress of students
208	Normal
209	Very good
210	Smart classes for most sub Personalised student focus Mental and emotional support to every student
211	Allright
212	Best teacher of school
213	Improvement for teaching and exams
214	Good
215	Good
216	Yes
217	No suggestion
218	Not interested
219	Isha MALIK
220	Good
221	A little more focus will be given on ICT tools learning
222	Physical activities should happen regularly
223	Better experience of teachers
224	Better education. Full uniform. Best teaching
225	Clear the concept Revision of the syllabus Complete the syllabus
226	
227	Very good
228	Make a teaching in two ways
229	Teachers are very active
230	Make a study interaction in two ways
231	The teacher teach in two way interaction
232	Encourage each and every student
233	1. SUPPORT IN EXTRA CURRICULAR ACTIVITY 2. USE PROJECTOR WHILE TEACHING COMPLICATED TOPICS OR SUBJECTS 3. ADD MORE SPORTS LIKE BADMINTON AND CRICKET AND ADD ON A GROUND PERIOD AS WELL
234	Satisfied with the college
235	Find a effective way to teach
236	Make canteen Remove cameras from boys washroom
237	Make canteen
238	Make canteen
239	Canteen banao varna college barbaad
240	Use ict tools And complete the syllabus before exam with equal time to each subject

241	1.) The quality of learning and teaching process is very good.. 2.) Teachers always made efforts for improving our soft skills, life skills and employability skills to make us ready for future work.. 3.) Teachers also identify our weakness and also helps us to overcome..
242	Very good
243	Their should me more practical classes as compare to theory classes Theory should be send on classroom and their should be more practical classes
244	firstly improvement of communication skills of teachers with students Secondly there is lack of extra circular activities Thirdly no use of ict tools
245	Cooperative learning
246	1) Use For ICT tools 2) syllabus must be completed and properly
247	...
248	1. Foster a supportive learning environment. 2. Incorporate active learning strategies. 3.Provide ongoing professional development for faculty.
249	Need to work
250	First of all do Complete syllabus.
251	all teachers is best
252	Kindly give more project and real time problem to solve. ... Courses can be more research oriented. ... New technology monthly updates can be given.
253	1. Teachers are not able to communicate each and every student. In my classroom there are some students who are introverts and do not talk or communicate with others or teachers (including me). If teachers create friendly environment for us then we might share our thoughts, ideas, etc. with the whole class. 2. They do not encourage us to participate in the cultural activities (rarely organise the cultural activities) 3. In my college, there is no cafeteria for students. Atleast, they should open the canteen for students.
254	Kindly give more project and real time problem to solve. ... Courses can be more research oriented. ... New technology monthly updates can be given.
255	There should be more physical activities involved in the college
256	Good
257	Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.
258	...
259	College should be allowed to remain like a college, not turned into a school.
260	Not change
261	Improve teacher behavior
262	Provide courses for upcoming technology.
263	Xx
264	Best
265	Teachers have to suggest how to study and how to prepare for exams and hot enhance study
266	No suggestions... Thanku!

267	Study by lcd projector
268	Very excellent
269	Good everything
270	Presence of canteen in campus Performing experiment in lab in right manner Right performance of teachers in classroom
271	Our institutions is best
272	Our institution experience is best
273	I don't know very well
274	Good proper learning
275	Yes
276	No
277	Yes
278	It's okay as they are
279	Nothing
280	All teachers are nature is good for students
281	Should not behave us like small school students. Should give counseling about future Should give compulsory classes for minor subjects.
282	All teachers are good
283	Good experience
284	everything is better than other colleges but my suggestions is- 1).please conduct the revision classes after the complete of syllabus. 2).organize a tour in every year for the student .this will b helpful for the develop of communication skills 3).please conduct the farewell and freshers party in every year. 4).please reopen the canteen.
285	- Develop soft skills - Leverage technology and digital resources - Provide career guidance
286	Good
287	Because of noise
288	Teachers should do better their teaching skills
289	Teachers should do better their teaching skills
290	All teachers do their best to teaching us
291	2
292	Start small think big Utilise the latest technologies Ensure your curriculum knowledge
293	Overall teaching ie very knowledgeable
294	When you understand a question then look at the diagram and understand the question better.
295	to good for teaching
296	Good
297	No suggestion
298	No suggestion
299	Make canteen in college
300	Discipline timing and well dress
301	Yess
